2. **THIS INDOOR SESSION IS BEING RUN BY A COMMISSIONER .**
3. Captains are responsible to keep their players in line. Of course there will be arguments during a game but there should be **NO SWEARING OR FIGHTING!** Let's try and be good role models. Let's remember we are **responsible adults** so if u see or hear anyone acting up please step in and do your part. This applies to everybody on and off the field.
4. **NO KIDS ARE ALLOWED PERIOD !!!!. Please follow the rules. SAHLENS SAY THEY WILL NOT ALLOW ANY KIDS THERE ANYMORE OR WILL CANCEL THE SEASON. NO EXCEPTIONS !!**
5. **ALL spectators must be on the spectator side. Only people on the roster on the wall side ONLY.**

### **ROSTERS:**

1. ***The new format is 5 field players and a goalie.***
2. ***Maximum roster size is capped at 10 players. Minimum is 6.***
3. EACH TEAM IS LIMITED TO 4 ROSTER MOVES. (A CUT, A ADD, A TRADE, OR A DROP EACH COUNT AS 1 MOVE) SO MAKE YOUR MOVES WISELY. IF YOU CUT SOMEONE AND BRING HIM BACK. THAT'S 2 MOVES. **AFTER WEEK 2 ROSTERS ARE FROZEN. NO TRADES, NO ADDS, NOTHING.**
4. The commissioner must be contacted for roster changes & keeps track of all trades and roster moves. Real Names required when handing in roster. !!
5. You Must have played 1 game during the season to play in the final game.
6. After the first game of season, if you are on a roster the captain holds the rights to your contract.

### **GAME START TIME AND FORFEITS:**

1. Every team must have at least 4 players on the field to start the game. The opposing captain can decide to give extra time to the other team but no more than 10 min or it's a 2-0 FORFEIT! **The games are from 8PM and 9PM (Schedule will posted with exact times) so please be smart enough to tell your guys to arrive at least 20 minutes before game time. A PENALTY FEE OF \$40 WILL BE THE PUNISHMENT FOR THE TEAM THAT FORFITS A GAME. ALL MONEY WILL GO TO THE SOCCER League!!! If you give the opposing team 24 hour notice, the forfeit still counts, but no fine is due.**

### **GAME RULES :**

1. Goalies can't throw or punt the ball over the half without it hitting the ground or a player before the half. If the goalie does violate this rule, it will be an indirect kick from the half.
2. All goal kicks are direct and any ball hits the ceiling it's in-direct.
3. We agreed on 7 yards for a wall when a free kick is given. Obviously you have to ask for the 7 yards and if u do then u must wait for the ref to give the ok before u do anything.
4. Every player must wear the same color shirt as everyone else on their team. The majority of your shirt must be your team color. You will NOT be allowed to play if you're not wearing the proper color shirt, plain and simple.
5. If a foul is called before times run out, the kick must be taken and game will end only if the ball goes out of bounds or the other team maintains control of the ball.
6. No overtime in regular season play. If a game ends in a tie, each team will be awarded 1 point each.
7. Ref decision is final, commissioner cannot overturn any call.
8. Do not hold the ball to argue a call, ref can determine that delay of game which can result in Yellow Card and direct kick from anywhere along the half-line.

### **PLAYOFFS:**

1. The playoffs will consist of the TOP 4 TEAMS. FIFA RULES will determine if there are any ties. **It's simple, it goes by points first, then its goal differential and after that its goals scored (final decision will be on the commissioner)**
2. There will be no overtime play in the Playoffs or Championship game. Winner determination will be 3 player shootout. Captain's coin flip will determine first team to shoot. If top 3 players ends in a tie, then the same 3 players are back in rotation until the first team miss and the other team makes it.
